

Class of 2018* Professional Curriculum

Year 3 Fall 2014 (1st professional year)

MDCM	601	4	Medicinal Biochemistry I
MDCM	602	1	Medicinal Chemistry Lab
P&TX	630	4	Pharmacology I
PHCH	667	2	Introduction to Clinical Chemistry
PHCH	517	2	Calculations
PHPR	620	1	Introduction to Law and Ethics
PHAR	500	2	Introduction to Pharmacy

16 credit hours

Year 3 Spring 2015 (1st professional year)

MDCM	603	3	Medicinal Biochemistry II
P&TX	631	4	Pharmacology II
PHCH	518	3	Principles of Solution/Dosage Forms
PHPR	502	4	Pharmacy Practice II
PHAR	510	2	Pharmacy Skills Laboratory I

Elective course (optional)

16 credit hours

Year 3 Summer 2015 (1st professional year)

PHAR	550	4	Introductory Pharmacy Practice Experience (KU Core Goal 5)
------	-----	---	---

Year 4 Fall 2015 (2nd professional year)

MDCM	625	3	Medicinal Chemistry I
P&TX	632	4	Pharmacology III
PHCH	625	3	Pharmacokinetics
PHAR	503	3	Pharmacy Practice III
PHAR	515	1	Pharmacy Skills Laboratory II
		1	Elective course

15 credit hours

Year 4 Spring 2016 (2nd professional year)

MDCM	626	3	Medicinal Chemistry II
PHCH	626	3	Biopharmaceutics & Drug Delivery
P&TX	640	2	Toxicology
PHPR	619	3	Healthcare Systems
PHPR	646	4	Pharmacotherapy I
PHAR	520	1	Pharmacy Skills Laboratory III
		1	Elective course

17 credit hours

68 cumulative credit hours completed

- P2 Objective Structured Clinical Exam (KU Core Goal 6)

BS in Pharmaceutical Studies awarded

Year 4 Summer 2016 (2nd professional year)

PHAR	560	4	Introductory Pharmacy Practice Experience
------	-----	---	---

Year 5 Fall 2016 (3rd professional year)

MDCM	627	3	Medicinal Chemistry III
PHCH	693	2	Clinical Pharmacokinetics
P&TX	633	3	Pharmacology IV
PHPR	647	4	Pharmacotherapy II
PHPR	629	2	Research Design and Biostatistics
PHAR	525	1	Pharmacy Skills Laboratory IV

1 Elective course

16 credit hours

Year 5 Spring 2017 (3rd professional year)

PHPR	648	4	Pharmacotherapy III
PHPR	670	2	Clinical Assessment Lab
PHPR	621	2	Pharmacy Law
PHPR	613	2	Pharmacoeconomics
PHPR	614	3	Pharmacy Management
PHPR	630	1	Drug Information and Literature Evaluation
PHAR	530	1	Pharmacy Skills Laboratory V

1 Elective course

16 credit hours

- Pharmacy Curriculum Outcomes Assessment (PCOA)

Year 6 Summer, Fall 2017, and Spring 2018 (4th professional year)

PHPR	60_	4	Advanced hospital rotation
PHPR	60_	4	Advanced community rotation
PHPR	60_	4	Ambulatory care rotation
PHPR	60_	4	Acute care / inpatient general medicine rotation
PHPR	60_	20	Elective rotations (5 four credit hour rotations)

36 APPE credit hours

140 professional credit hours completed

208 cumulative credit hours completed

Doctor of Pharmacy degree awarded

Year 6 Summer (board exams completed following graduation)

North American Pharmacist Licensure Examination (NAPLEX)

Multistate Pharmacy Jurisprudence Examination (MPJE)

version: 2016_05_19

* Curriculum for students matriculating in the fall of 2014
